Providing community members experiencing traumatic events the financial support needed to help pay for medicine, food or transportation.

### Mission Statement

Rochester Friends and Neighbors, a non-profit association, provides community members experiencing traumatic events the financial support needed to help pay for medicine, food or transportation.

All RFAN board members have long-term ties to the Rochester community, and through their association with RFAN, volunteer their time and efforts towards helping families in our community who are in need of financial support help pay for medicine, food or transportation due to a traumatic event.

All funds raised (100%) stay within the Rochester community, and we are an all-volunteer organization with no paid employees. RFAN is a non-profit 501(c)3 organization, so all donations are tax deductible.

If you need assistance or would like to make a tax deductible donation to RFAN, please call (360) 789-9143 or visit our website at [RochesterFAN.com](http://RochesterFAN.com).
